Article V - Grievance Procedure

5.1 Definitions

- 5.1.1 A "grievance" is defined as any dispute which arises regarding the interpretation, application, or alleged violation of any of the provisions of the Agreement.
- 5.1.2 The "grievant" is a Teacher, a group of Teachers, or the Association, asserting a grievance.
- 5.1.3 A "party of interest" is any person or persons, with reference to his/her contract, who takes action or against whom action is taken in order to resolve the complaint.
- 5.1.4 The term "day" when used in this article is defined as a working school day. When a grievance is submitted on or after June 1, time limits shall consist of all weekdays, so that the matter may be resolved before the close of the school term or as soon as possible thereafter.

5.2 Purpose

- 5.2.1 The purpose of this article is to provide a clearly outlined procedure whereby Teachers may secure a full hearing and resolution of their grievance under this Agreement.

5.3 Structure

- 5.3.1 If in the judgment of the Association, a grievance affects a group of Teachers or the Association, the Association may initiate and submit each grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Level II. The Association may process such a grievance through all levels of the procedure, even though there is no individual grievant who wishes to do so.

Grievances involving more than one supervisor and grievances involving the administration above the building level may be filed by the Association at Level II.

- 5.3.2 In matters dealing with alleged violation of Association rights, the grievance shall be initiated at Level II.

5.4 Informal Discussion

- 5.4.1 Both parties encourage employees covered by this Agreement to resolve their problems with their immediate supervisors whenever possible. The provisions of this article are not intended to preclude a Teacher with a potential grievance from informally discussing the problem with their immediate supervisor prior to filing a formal grievance although such discussions are not a part of the formal grievance procedure.

- 5.4.2 If a Teacher requests an informal discussion with his/her immediate supervisor concerning the subject matter of a potential grievance, such informal discussion will be held as soon as reasonably possible.

- 5.4.3 It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on their solution of that grievance or any similar grievance filed in accordance with this article.

- 5.4.4 Both parties may agree to extend the time lines of subparagraph 5.1., below, in order to pursue a possible solution to a pending problem at the informal level. If a time line extension has been initiated, the time line countdown will begin again when either party notifies the other that the informal process is over. This will be done in writing and will include the number of days counted as of the date of the agreement to extend the time line.

5.5 Procedure - Level One

- 5.5.1 A grievance as defined, must be filed in writing and signed by the grievant, alleging which terms or provisions of this Agreement under which the dispute arose, and must be filed not later than twenty (20) days after the Teacher or the Association first knew (or should have known) of the act or condition upon which the grievance is based.

- 5.5.2 The written grievance must first be presented to the affected Teacher's appropriate supervisor or his designee, except as noted in 5.4., above.

- 5.5.3 The above condition(s) does not prevent the party in interest from first discussing the issue with his/her immediate supervisor with the object of resolving the issue informally. See section 5.4.1., above.

5.5.4 Within ten (10) school days after receipt of a grievance, the appropriate supervisor or his/her designee, shall meet with the affected Teacher for the purpose of discussing the merits of the grievance involved.

5.5.5 The appropriate supervisor or his/her designee shall forward to the affected Teacher and his/her representative, if any, within ten (10) days after the meeting at Level I a written response to the grievance.

5.6 Level Two – Superintendent (or his/her designee) of Schools

5.6.1 In the event the grievance is not resolved at Level One, the affected Teacher may submit the unresolved written grievance to the Superintendent or his/her designee no later than ten (10) days after receiving the written reply from his/her immediate supervisor.

5.6.2 If the grievance is not filed with the time limit (ten days), the grievance is withdrawn.

5.6.3 The Superintendent or his/her designee shall meet with the affected Teacher and/or a representative of the Teacher's own choosing within the ten (10) days after receiving the grievance.

5.6.4 The Superintendent or his/her designee shall forward to the affected Teacher and his/her representative, if any, within ten (10) days after the meeting referred to in subparagraph 6.3., above, a written response to the grievance.

5.7 Level Three - Mediation

If the aggrieved party is not satisfied with the disposition of the Grievance in Step 2, Superintendent Level, then the parties may mutually agree to present the Grievance to Mediation within ten (10) workdays after the Superintendent's response to Level 2.

Procedure for Grievance Mediation:

5.7.1 The Superintendent must respond to a Grievance request for Mediation within five (5) workdays.

5.7.2 A Mediator will be obtained from the Federal Mediation and Conciliation Service.

5.7.3 The Mediator shall confer with the Superintendent or his Designee and the Association, and hold a hearing promptly. If the meeting is unable to be held within 20 days, the Organization has the option of moving the Grievance to the next level.

5.7.4 Nothing said or done by the parties during the mediation hearing can be used against them during the arbitration proceedings.

- 5.7.5 If no solution is reached to the satisfaction of both parties, the Grievance and all information in Levels 1 and 2 shall be submitted to the next level.

5.8 Level Four - Arbitration

- 5.8.1 In the event a grievance is not settled at Level Two, the Association or the individual Teacher, if such individual Teacher is asserting his/her right under NRS 288.140(2), not later than ten (10) days after receipt of the written reply from the Superintendent may request arbitration in accordance with the provision set forth below. A request for arbitration shall be made by delivery to the Superintendent or his/her designee of a written notice of intent to arbitrate, provided that in the event such action is being taken by a Teacher acting as an individual, a copy of such request shall be delivered at the same time to the Association.

- 5.8.1.1 If both the District and Association agree to Expedited Arbitration in writing within five (5) calendar days of any request for arbitration pursuant to this Article, the arbitration may be held under the Expedited Labor Arbitration Rules of the American Arbitration Association.

Within ten (10) days after such written notice of submission to arbitration and written agreement to expedited arbitration, the District and the Association will agree to an arbitrator from the list of arbitrators to this agreement. Each party shall alternatively strike names from the list, and the name remaining shall be the arbitrator. In striking names, the Association shall strike first. The list of arbitrators shall be effective for the ten of the agreement and shall automatically expire unless extended in writing by mutual agreement of the parties.

- 5.8.2 Within five (5) days after written notice of submission to arbitration, the Superintendent and the Association or the individual Teacher as provided for in the preceding section shall agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested, and of recognized competence. If within five (5) days the parties are unable to agree on an arbitrator, a request for a list of seven (7) arbitrators shall be made to the American Arbitration Association or the Federal Mediation and Conciliation Service by either party. Within ten (10) days after receipt of the list from AAA or FMCS, the parties shall select an arbitrator from the list by alternatively striking one name until the name of one arbitrator remains who shall be the one to hear the dispute in question. The parties have a mutual obligation to promptly acknowledge and provide notice of receipt of correspondence from AAA or FMCS and/or the arbitrator.

- 5.8.3 The arbitrator shall promptly schedule a hearing on the matter complained of, at which time each of the parties in interest may present evidence, examine and cross-examine witnesses, and submit legal arguments in support of their respective contentions. In the event of a Teacher acting as an individual, the Association shall be entitled to be present at the hearing and to submit written arguments if the Association contends that the Association's rights under NRS 288.033(2) or NRS 288.140(2) are involved. The arbitrator may make such further inquiry investigation as he or she deems necessary and, unless extended by mutual agreement, shall issue his/her report within thirty (30) days from the final hearing day or submission of briefs, whichever is later.
- 5.8.4 Unless such rules are in conflict with this Agreement or any provision of NRS 288, the arbitrator and the arbitration proceedings shall be governed by the labor arbitration rules of the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever entity's arbitrator list has been utilized in the selection of the arbitrator.
- 5.8.5 All hearings held by the arbitrator shall be closed sessions, and no news releases shall be made concerning the progress of the hearings. The arbitrator's decision shall be submitted in writing to the aggrieved, the Board of School Trustees, and the Association only and shall set forth his/her findings of fact, reasoning and decisions on the issues submitted. The arbitrator's decision shall be final and binding on all parties to this Agreement and shall be in accordance with the terms and conditions of this Agreement. The arbitrator shall not have the authority to alter or amend in any way the provisions of this Agreement.
- 5.8.6 The expenses of arbitration shall be shared equally by the School District and the Association and/or the individual Teachers involved.
- 5.9 Release Time
- 5.9.1 Should the investigation or processing of any grievance require that a Teacher or an Association representative be released from his/her regular assignment, they shall be released with no loss of benefits, with the Association paying the cost of the substitute if it represents the teacher, otherwise the teacher is solely responsible for the cost of the substitute, according to the following:
- 5.9.1.1 One (1) person will be released for two (2) days when necessary to investigate a grievance and gather evidence.

- 5.10.5 All expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses.

A copy of the list and any changes will be provided to each employee on lay-off status and the Association. Any teaching vacancy not filled by transfer/reassignment will be offered to those employees on lay-off status in reverse order of lay-off (i.e., the most senior laid-off employee, first recalled), provided he/she holds the minimal requirements of licensing.
- 10.9 Notice of recall will be given by registered mail at the last address given to the District by the employee. A copy of the notice will also be provided the Association. Failure to accept recall

in writing postmarked within ten (10) days of the postmarked notice of recall will constitute a refusal of the position offered. Persons on lay-off status should consider maintaining communications with the District office when extended out-of-town travel is undertaken.

All vacancies will be posted on the District Web Site and emailed to all teachers via District Intranet accounts no less than five (5) days prior to selection. Applications from currently employed Teachers will be accepted and given equal consideration to new applications for transfer or promotions into positions for which they are qualified.

11.2 Directed Transfer/Reassignments

11.2.1 A Teacher, who is transferred/reassigned, shall not suffer loss of salary, fringe benefits, or seniority. This includes Teachers returning from approved leave of absence. (See 1.14. and 1.16.)

11.2.2 The Teacher to be transferred/reassigned will be given enough advance notice to make the transition smoothly. The Teacher will be given three (3) days, without students, to prepare in the case of transfer/reassignment during the school year. The District will provide assistance in moving the Teacher's materials if classroom relocation is necessary.

11.2.3 Reasonable moving cost will be borne by the District if a teacher is transferred to another attendance area.

11.2.4 The District shall seek volunteers for transfer/reassignment. If a directed transfer/reassignment becomes necessary, a teacher with the least seniority shall be transferred/reassigned if they are licensed to teach the position.

Employee insurance premiums paid by the district will be prorated on the basis of half time or full-time employment based upon a seven (7) hour day. This Article will be automatically reopened to negotiate over any increase in employment premiums above \$775 during the term of this agreement.

12.3 An insurance committee will be composed of one Board Member, four Teachers' Association members appointed by the Association President, and one administrator and one support staff appointed by the district and one retiree appointed by the association. The Plan fiduciary (Superintendent) shall call for the meeting at any time he/she believes it prudent to meet.

The insurance committee is authorized to investigate the welfare of the Plan and, if considered necessary, make recommendations for Plan modification (including adjustments in premiums and changes to benefits) to the bargaining teams of the Association and the District.

Any changes to premiums or deductibles or changes to benefits in the Plan effecting employee benefits are subject to mandatory bargaining and shall be negotiated by the Lander County School District and the Lander County Classroom Teachers Association.

12.3.1 The insurance committee shall have the power to convene a special meeting. The superintendent or Association President may call for a meeting of the committee.

- 12.4 The School District further agrees to provide payroll deduction for additional premiums, if any are required. The School District also agrees to provide reasonable record keeping and/or verification of employment which may be required of the insurance carrier.

Article XIII - Staff Development

One-one hundred eighty-sevenths ($1/187^{\text{th}}$) of the yearly salary will be deducted for each day that is missed which is unexcused.
- 13.2.2 Teachers realize that orientation is an integral part of the school year. However, Teachers in their second or subsequent years shall be required to attend only that part of orientation that disseminates new information. At the end of the new information dissemination, the above mentioned Teachers shall be relieved to work in preparation of their classrooms for the new school year.
- 13.2.3 The Association may request District-wide workshops that its members have determined to be of interest and relevance to its members.
- 13.2.4 Teachers shall not be required by the District to attend overnight workshops, conferences, and training classes outside the District, but if offered and attended the teacher shall be compensated for expenses at the normal per diem rate.

- 14.4 Salary is to be set at one-half ($\frac{1}{2}$) of the amount of the Teacher's contract salary in effect during the sabbatical leave, exclusive of any extra duty pay. A Teacher approved for sabbatical leave who wishes to be paid while on leave shall furnish a security bond indemnifying the District against loss in the event the Teacher fails to render the minimum amount of job service required after the return from sabbatical leave. If the Teacher does not furnish a security bond, payment of sabbatical leave salary will be made in twenty-four (24) monthly installments added to the salary received by the Teacher during the next two years following the years in which the sabbatical leave is taken. That portion of the group medical insurance premium normally paid by the District shall be continued during the sabbatical leave. That portion of the retirement fund contribution normally paid by the District shall also be continued. Such notice shall be given as soon as the teacher becomes aware of the program change, modification, or deletion. Failure to complete the approved leave program without notice and acceptable rationale as described

above rescinds the sabbatical leave, experience credit may be withheld, and any payments by the District toward salary, health insurance and retirement shall be reimbursed to the District by payroll deduction over the ensuing contract year in equal installments.

- 14.8.1 Failure by the teacher to return to the District following completion of the approved leave pursuant to section five (5) of this article forfeits any right to employment and any payments made to the teacher during the term of leave shall be collected by the District through the surety bond and collateral posted prior to going on leave in an amount not to exceed payments made by the District to or on behalf of the teacher.
